Durham 2021 Target Amount

**£2,712,768.00**

**The target amount is based on the membership of each Lodge as stated in the 2016 year book**

10 % reduction to the lodge membership figure has been applied to assist with possible fluctuations in membership, dual memberships & non attendees

All honorary lodge members are not counted within your membership numbers

Your target will not alter from the start of the festival, i.e. if lodge membership rises the target will not rise or reduce if membership declines

**Lodges that don't initiate members have been given a target of 10% of their membership as stated in the 2016 yearbook**

The Provincial Steward Lodge is excluded from the target

Please use the table above to identify your lodge target

**Lodge Award System**

It is our intention to reward the commitment made by Lodges during the Festival appeal by acknowledging the amount of money raised by the Lodges .

The process of acknowledging a Lodge's performance is by measuring the amount raised against the set target as detailed below

For lodges **projecting** to reach 33% of their target, they will be acknowledge with a bronze award. This will include a colour or B/W logo to be used on lodge summons, lodge website or social media sites. The Charity Steward will also receive a pin badge to wear.

For lodges **actually** donating 66% of their target, they will be acknowledge with a silver award. This will include a colour or B/W logo to be used on lodge summons, lodge website or social media sites. The Charity Steward will also receive a pin badge to wear.

For lodges **actually** donating 100% of their target, they will be acknowledge with a gold award. This will include a colour or B/W logo to be used on lodge summons, lodge website or social media sites. The Charity Steward will also receive a pin badge to wear.

For lodges **actually** donating 133% of their target, they will be acknowledge with a platinum award. This will include a colour or B/W logo to be used on lodge summons, lodge website or social media sites. The Charity Steward will also receive a pin badge to wear.

Lodges will be updated on their performance every 12 weeks.
